To: The Select Board
From: The Transfer Station Review Committee

The Transfer Station review committee would like to present the Board with another thoughtful recommendation. This reflects feedback we received from our in-person and online survey. The Committee is recommending making two adjustments to the Transfer Station operating hours. Currently the facility is open from 1:00pm to 5:00pm on Tuesday and from 8:00am to 5:00pm on Saturday. The group recommends adjusting the hours to 12:00pm to 6:00pm on Tuesday and 8:00am to 3:00pm on Saturday. The biggest takeaway from the survey was that residents did not want any change to the operating budget. Re-arranging the operating hours in this way reflects this feedback without impacting the budget and provides greater opportunity for residents to access the facility.

We have also attached the user fees for a few changes. The changes are highlighted, which consists of a fee change, wording and we have filled in the blanks for the cost of the loads. This will help provide clarity and consistency to residents and staff.

Thank you for your consideration,
The Transfer Station Review Committee
